

FAASTeam presents:

First Responder Training

During this seminar we will be discussing the hazards that may be encountered at an aircraft accident scene. We will also discuss the different types of access doors/canopies in order to educate responders on how to remove passengers from the aircraft.

Lunch will be provided by the Walnut Ridge Airport & Pilots Ally. Transportation will be provided from the airport terminal to Pilots Ally for those that fly in and park at the terminal. There will also be door prizes and a fuel discount for attendees that fly in.

PLEASE Note: Before attending this event, please review and follow current CDC, State and Local Health Guidelines

Directions: First Hangar on the North end of the ramp at Walnut Ridge Airport.
